# Drawing Tools & Equipment Resource List

*Welcome,*

*If you want to start drawing, here's a list of tools you will need. Of all the tools we've tried, there are the ones we recommend.*

*Please note we don't receive commission or kickbacks for any of these. They are what we use and find the best – which we're happy to share with you.*

*Enjoy !*

1. Set of graphite drawing pencils (2H, HB, 2B, 4B, 6B). I like Derwent brand: <https://a.co/d/hoX8psa>

2. Set of charcoal drawing pencils (B, 2B, 4B, 6B)

3. Fine sand paper for sharpening pencil tips

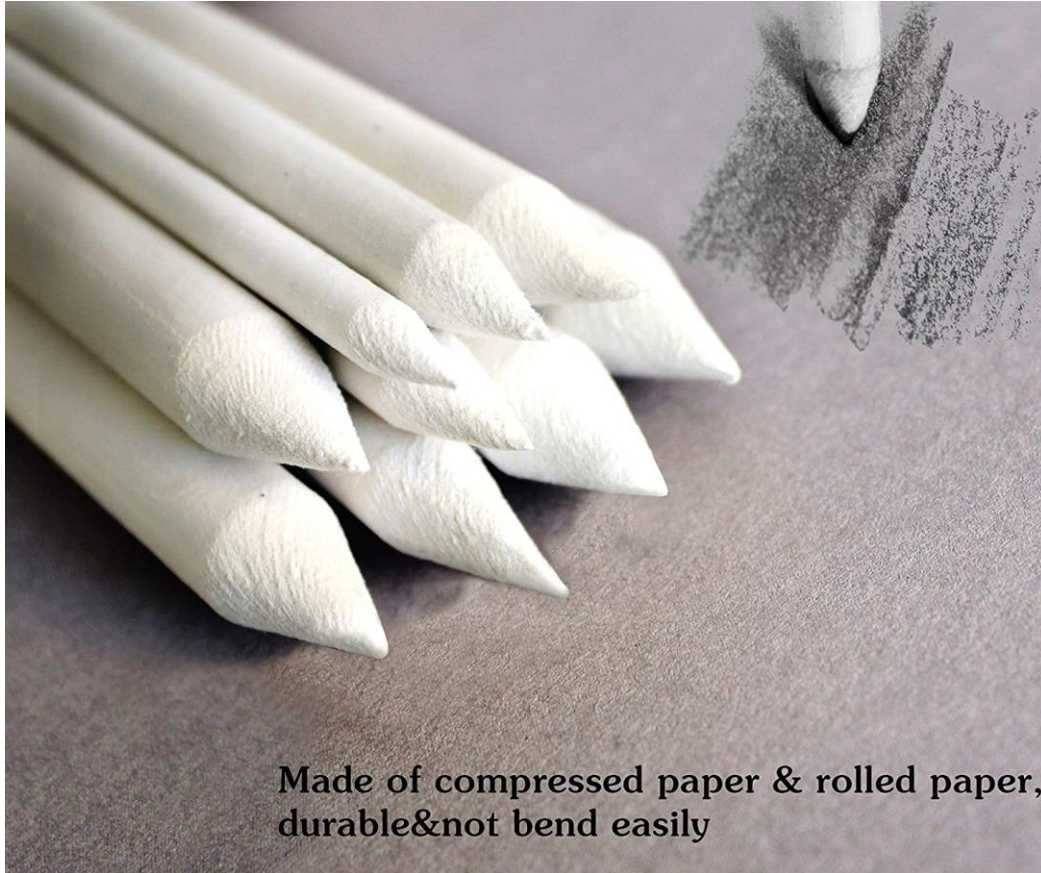

#### 4. Pencil sharpener

#### 5. Kneaded eraser. <https://a.co/d/1GJNUCP>

6. Variety of blending stumps (also called stumps or tortillons). <https://a.co/d/gEYiXKc>

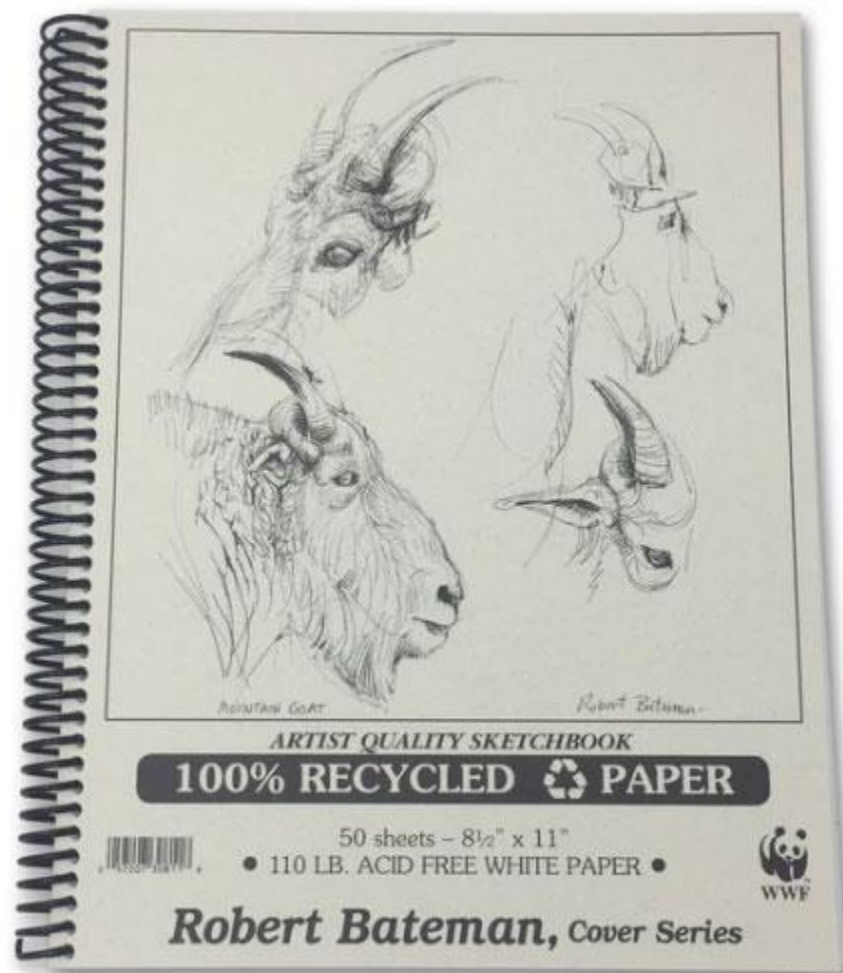

Made of compressed paper & rolled paper,  
durable&not bend easily

7. chamois cloth. <https://a.co/d/9jnZFQ7>

8. Heavyweight drawing paper, medium tooth. 80 lb to 140 lb is good. I like 110 lb Robert bateman paper: <https://merriartist.com/collections/robert-bateman-sketch-pads>

9. Frisket film. <https://a.co/d/9nwHVmZ>
